STATE UNIVERSITY SYSTEM OF FLORIDA

University Name: UNIV SOUTH FLORIDA - RIVERVIEW BROADCAST Date: 10-24-2016
 Building Name: ETV TV TRANSMITTER BLDG-RIVERVIEW Building No. 8455
 Building Occupancy Date: 2/1/1965 Building Age: 51

Building Envelope:		Condition Code: <u>4</u>
(Data Element 10067)		
Window/Glazing:	Condition Code: <u>4</u>	
Exterior Wall:	Condition Code: <u>4</u>	
Foundation:	Condition Code: <u>n/a</u>	
Exterior Doors	Condition Code: <u>4</u>	

Building Roof System (See CM-N-16 for components):	Condition Code: <u>4</u>
(Data Element 10068)	

Mechanical Systems:		Condition Code: <u>4</u>
(Data Element 10069)		
HVAC System:	Condition Code: <u>4</u>	
Elevator Systems:	Condition Code: <u>n/a</u>	

Electrical System:		Condition Code: <u>4.3</u>
(Data Element 10070)		
Lighting	Condition Code: <u>3</u>	
Grounding	Condition Code: <u>5</u>	
Internal Distribution	Condition Code: <u>5</u>	

Plumbing System:		Condition Code: <u>5</u>
(Data Element 10071)		
Fixtures	Condition Code: <u>5</u>	
Piping	Condition Code: <u>5</u>	

Building Interior		Condition Code: <u>4</u>
(No Data Element)		
Doors	Condition Code: <u>4</u>	
Ceilings	Condition Code: <u>4</u>	
Floors	Condition Code: <u>4</u>	
Walls/Partitions	Condition Code: <u>4</u>	

Life Safety Systems		Condition Code: <u>1</u>
(No Data Element)		
Fire Alarm	Condition Code: <u>n/a</u>	
Fire Suppression	Condition Code: <u>n/a</u>	
Emergency Generator	Condition Code: <u>1</u>	

Notes: _____

Completed By: _____ (Name, Title)

Condition Codes:

- 1 **Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 **Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 **Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 **Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 **Replacement.** Component should be replaced.

Notes: _____

Completed By: _____ (Name, Title)

Condition Codes:

- 1 **Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 **Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 **Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 **Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 **Replacement.** Component should be replaced.

Notes: _____

Completed By: _____ (Name, Title)

Condition Codes:

- 1 **Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 **Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 **Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 **Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 **Replacement.** Component should be replaced.

Notes: _____

Completed By: _____ (Name, Title)

Condition Codes:

- 1 Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 Replacement.** Component should be replaced.

Notes: _____

Completed By: _____ (Name, Title)

Condition Codes:

- 1 **Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 **Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 **Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 **Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 **Replacement.** Component should be replaced.

Notes: _____

Completed By: _____ (Name, Title)

Condition Codes:

- 1 **Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 **Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 **Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 **Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 **Replacement.** Component should be replaced.

Notes: _____

Completed By: _____ (Name, Title)

Condition Codes:

- 1 **Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 **Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 **Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 **Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 **Replacement.** Component should be replaced.

Condition Codes:

- 1 **Satisfactory.** Building component is suitable for continued use with normal maintenance.
- 2 **Renewal A.** Needs minimal capital renewal. The approximate cost is not greater than 25% of the estimated replacement cost of the component.
- 3 **Renewal B.** Needs more than minimal capital renewal. The approximate cost is greater than 25% but not greater than 50% of the estimated replacement cost of the component.
- 4 **Renewal C.** Requires major capital renewal. The approximate cost is greater than 50% of the replacement cost of the component.
- 5 **Replacement.** Component should be replaced.
