

Request to Develop Land (RDL) on USF Campus Property
March 10, 2004

The intent of the RDL Process is to inform campus constituents of proposed development, understand campus impacts, and determine level of support and receive approval to proceed. The process is two-phased. Phase 1, RDL 1 is a request for conceptual approval to proceed with a study for campus impact assessment. Phase 2, RDL 2, is a request to present the findings of RDL 1.
