## Death Investigation

At approximately 6:45 a.m. on March 12, 2024, officers from the University of South Florida Police Department were dispatched to the Interdisciplinary Sciences building on the Tampa campus. Upon arrival, they discovered a deceased male who appeared to have fallen from one of the upper floors of the building. Based on the initial investigation, foul play is not suspected, and there is no threat to the university community. The individual has been identified as a student.
