MLIS Graduate Student Exit Survey Summary—2019
School Information
University of South Florida

The goal of the exit survey is to obtain graduating students' impressions and experiences of the MLIS Program. Survey results help to guide future planning and directions at the School, inform the School's recruitment and marketing plans, and assist with continuing accreditation of the MLIS degree program under the auspices of the American Library Association's Committee on Accreditation.

A total of 94 MLIS students completed their programs in 2019, of whom 47 participated in the MLIS Exit Survey. That is a response rate of 50%.

The following summary of the 2019 survey results highlights key data pertinent to each of the standards identified in the COA Standards for Accreditation of Master's Programs in Library and Information Studies (2015) and reflect students' mastery of Program Level Learning Outcomes.
