EDUCATION

University of South Florida Saint Petersburg, Saint Petersburg, FL

Master of Liberal Arts in Documentary Filmmaking and Media Studies. Awarded 2013.

University of California Santa Barbara, Santa Barbara, CA

B.A. in Environmental Studies. Awarded 2004.

PROFESSIONAL EXPERIENCE

University of South Florida Saint Petersburg, Multimedia Specialist

St. Petersburg, FL

2010 - Present

- Film, edit, archive and upload content for classes for the online masters program in Digital Journalism and Design for the Department of Journalism and Digital Communication.
- Live stream classes with interactive functionality and multi camera setups in the studio for the online masters program in Digital Journalism and Design for the Department of Journalism and Digital Communication.
- Live stream university events both on and off campus with interactive functionality and multi camera setups.
- Film, edit, archive and upload video, audio, and photography content for the university and local businesses through VideoWorks (a multimedia production company within the Department of Journalism and Digital Communication).
- Photograph events (both on and off campus) and edit the photos that are used in various University of South Florida Saint Petersburg print and online publications as well as social media.
- Converted a university classroom to a fully functional video, audio, and photography multimedia production studio.
- Recommended video and audio equipment for the USFSP College of Business and conducted training sessions on the proper use of recommended equipment and multimedia software.
- Recommend and maintain video, audio, and photography equipment for VideoWorks and multimedia Digital Journalism and Communication classes.

University of South Florida Saint Petersburg, Adjunct Instructor

St. Petersburg, FL

2015 - Present

- Teach beginning and advanced photography, video/audio production, and visual effects classes for the Department of Journalism and Digital Communication at the undergraduate and graduate level.

SharpShooter Imaging, Photographer

Tampa, FL and Atlanta, GA

2005; 2008

- Photographed guests on a cruise ship in Tampa, the Florida Aquarium and the Georgia Aquarium.
- Processed digital files and sold photos to guests.

Wolf Camera, Customer Service Representative

Roswell, GA

2007

- Assisted customers with camera questions; sold video and photographic equipment.
- Worked in the lab developing film and digital orders.

Roberts Photography, Photographer

Santa Barbara, CA

2002 - 2003

- Specialized in school photography and took photos of elementary, middle, and high school children.
- Shot in the studio and at schools using digital SLR cameras and lighting equipment.

University of South Florida, Multimedia Specialist

Tampa, FL

1999 - 2002

- Operated studio cameras, audio board, and switchboard during live and taped broadcasts.
- Filmed, edited, and delivered marketing packages for the University of South Florida engineering department using professional video and audio equipment.
- Supervised crew during live and taped broadcasts. Evaluated and trained employees.
- Monitored, encoded, and archived broadcasts that were streamed live on the web.
