Fall 2006-  
Present

**Founding Director, USFSP Center for Civic Engagement.**

The Center is charged with making USFSP distinctive in its community engagement and the development of its Citizen Scholar Program (giving students the opportunity to take what they are learning in the classroom and apply it in the service of community partners).

- Crafted a faculty development program (a faculty development workshop series, a course development grant program, and a library of resources about civic engagement)
- Developed a student outreach program (the creation of the CCE Student Advisory Board as well as awards and scholarships to recognize student civic leadership)
- Cultivated community partnerships (host a “Civic Engagement Fair” that brings community partners to campus to facilitate service learning placements, developed and maintain a *Community Partner and Service Learning Placement Directory*)
- Sponsored events and programs (such as Constitution Day, a campus-wide voter registration drive, and community service events (such as the Spring Break Beach Clean Up and clothing drives)
- Initiated a data collection effort (our civic engagement inventory) to identify the number of faculty teaching, the number of courses offered, the number of students enrolled in those courses, and the number of hours of service contributed under the direction of our faculty in their citizen scholar courses. Using this information, I created our *Citizen Scholar Course Catalog*.

- Development of the **USFSP YMCA Civic Fellows Program**. Selected YMCA Youth In Government students from around the state of Florida earn 6 credits at USFSP. Serve as the Lead Instructor for *Florida Government and Politics* and *Community Leadership Practicum*. Develop curriculum and programming for the annual Civics Institutes for the incoming and outgoing cohorts. Pilot Program year 2018-19 (\$263,458); 2019-20 (\$300,00)

- Led the team that prepared the successful 2010 and 2020 **Carnegie Foundation for the Advancement of Teaching's Community Engagement Classification**
- The Center for Civic Engagement merged with the Bishop Center for Ethical Leadership and became the Bishop Center for Ethical Leadership and Civic Engagement (Fall 2011). I served as the Associate Director of the new Center (Fall 2011 to Fall 2014). The CCE and Bishop Center are now decoupled (as of Spring 2015), and I am again Director of the CCE.
