

Report of CAS Undergraduate Curriculum Committee

Dr. Adriana Uruena-Agnes

To date, the College Committee has reviewed and provided feedback for 11 course proposals, targeting new Enhanced General Education requirements or the conversion from selected topics to permanent courses.

*Five (5) course proposals were approved and progressed to the General Education Council for review

*Four (4) course proposals were approved and progressed to the Undergraduate Council for review

*Two (2) course proposals were returned to the proposer with feedback for revisions
