

**UNIVERSITY OF
SOUTH FLORIDA**
A PREEMINENT RESEARCH UNIVERSITY

Graduate Tuition Rates (Fall 2023- Summer 2024)

Tuition is assessed by course level, not student classification (i.e., if an Undergraduate student takes a Graduate level course, they are charged the Graduate tuition rate). Other factors that determine the per credit rate are: residency, admission term, course campus and for some graduate students their college or program of study. Non-Florida resident students are assessed the same fees as Florida residents plus additional out-of-state fees.

ONE USF- CONSOLIDATION OF USF CAMPUSES

Students with admit term prior to Summer 2020: Per the current USF tuition regulation students that have maintained uninterrupted active enrollment, are not required to pay the increase in St Pete and Sarasota fees from the consolidation until **Summer 2024**. A waiver will be applied to eligible student accounts to cover those charges through **Spring 2024**. Changes in a student's admit term will make them ineligible for the waiver. Common reasons for admit term changes are being inactive for a semester and changes in enrollment (i.e. non-degree to degree seeking or Undergraduate to Graduate). Below are the fees that will be waived.
