

## Graduate Tuition Rates (Fall 2024- Summer 2025)

Tuition is assessed by course level, not student classification (i.e., if an Undergraduate student takes a Graduate level course, they are charged the Graduate tuition rate). Other factors that determine the per credit rate are residency, admission term, course campus and for some graduate students their college or program of study. Non-Florida resident students are assessed the same fees as Florida residents plus additional out-of-state fees.
