

Business & Finance Scholarship

Spring 2025

Application

Business & Finance invites Administration and Staff personnel employed by Business & Finance, and who meet other qualifications as noted below, to apply for a Business & Finance Scholarship. These scholarships, provided by employee donations to the Faculty/Staff Scholarship Fund (520490), help to defray some of the costs associated with going to school.

The requirements are that you:

1. be enrolled at USF during the Spring Semester 2025 as a degree-seeking student officially admitted to USF (please attach a copy of active class registrations from Oasis);
2. have a satisfactory grade point average-minimum of 3.0 (provide last semester's Final Grades from OASIS);
3. are an Administration or Staff employee in Business & Finance with permanent status (off probation),
4. are in good standing with your division, with a current appraisal rating on file of "achieves" or better (staff) or are not on a terminal contract (if Administration) (Supervisor confirms with signature below).

Please note that even if you are receiving other scholarships, you are still eligible for a Business & Finance Scholarship. Maximum Scholarship is \$250 per person (final amount dependent on number of qualified applicants and available scholarship funds).

I am an official degree-seeking student with a satisfactory grade-point average and meet all the other criteria for a Business & Finance Scholarship. I will be enrolled in classes during the Spring semester 2025 and would like to receive a scholarship.
