

PUT RISK IN YOUR FUTURE

Major in Risk Management and Insurance (RMI)
at the University of South Florida

DISTINGUISH YOURSELF FROM THE CROWD

- Gain a comparative advantage in your career with a degree in RMI.
- Graduate with a unique skill set that provides accelerated opportunities for RMI majors and expands career possibilities for RMI minors.
- Enter a field where jobs for risk professionals are robust, with high demand for qualified individuals along with unrivaled compensation.
- Be a problem solver while doing work that matter as you play a critical role in safeguarding individuals, businesses, and your communities.

GET THE RMI ADVANTAGE

- Pursue a degree where you engage with experienced faculty and risk professionals who are committed to your success.
- Be a part of Gamma Iota Sigma - a student-led organization focused on your development as an emerging risk professional.

UNIVERSITY of
SOUTH FLORIDA

Muma College of Business

The Baldwin Group School of
Risk Management and Insurance

“Our industry is focused on helping people and solving problems. The idea of being there for someone during their time of need is a fundamental part of this profession.”

DR. RANDY DUMM

Director of The Baldwin Group
School of Risk Management
and Insurance at the University
of South Florida

Immediate Past President,
American Risk and Insurance
Association
