Mental Health Consultation

Since 1984, I have provided pro bono confidential short-term crisis consultation for over two dozen organizations in which employees have either been killed, witnessed a traumatic event, or taken their own lives.

Since 1986, I have consulted with many public school districts in four Florida counties, one in New Hampshire, and several private schools on how to organize and mobilize a crisis response team.

1986-present
(intermittently, as needed) Hillsborough County Public Schools
Department of Student Services
1202 East Palm Avenue
Tampa, FL 33605

Assisted the school district in developing a crisis intervention and suicide prevention team that responds whenever an untimely death or other trauma affects a school community. Provided monthly organizational assistance, in-service training, and post-intervention debriefing for the school-based psychologists, social workers, and nurses who comprise the crisis team.
