

Curriculum Vitae

Theresa Hnath Chisolm

Communication Sciences and Disorders
College of Behavioral & Community Sciences
4202 E. Fowler Avenue, PCD1017
Tampa, FL 33620

Work Phone: 813-974-9826

Work Fax: 813-974-0822

Work Email: chisolm@usf.edu

EDUCATIONAL QUALIFICATIONS

- 1987 Ph.D., The Graduate School of the City University of New York
- 1980 M.A., Montclair State College
- 1978 B.A., Herbert H. Lehman College of the City University of New York

ACADEMIC EXPERIENCE

- 2008-2010 Special Assistant to the Dean, College of Behavioral and Community Sciences; University of South Florida
- 2004-present Chair, Department of Communication Sciences and Disorders; University of South Florida
- 2003-present Professor, Departments of Communication Sciences and Disorders & Psychology, University of South Florida
- 1996-2003 Associate Professor, Departments of Communication Sciences and Disorders & Psychology, University of South Florida
- 1988-1996 Assistant Professor, Departments of Communication Sciences and Disorders & Psychology, University of South Florida
- 1983-1988 Adjunct Lecturer, Department of Special Education, Hunter College of the City University of New York

OTHER PROFESSIONAL EXPERIENCE

- 1985-1988 Research Associate, The Center for Research in Speech & Hearing Sciences,
Graduate Center of the City University of New York
- 1981-1982 Staff Audiologist, Goldwater Memorial Hospital, New York, N.Y.
- 1980-1981 CFY-Audiology, Veteran's Administration Hospital, E. Orange, N.J.

PEER-REVIEWED PUBLICATIONS

1. Saunders, G.H., Chisolm, T.H. & Wallhagen, M.I. (submitted). Older adults and hearing help seeking behaviors. *American Journal of Audiology*.
2. Smith, S., Ricketts, T., & McArdle, R., Chisolm, T. & Bratt, G.(accepted) Style Preference Survey: A Report on the Psychometric Properties and Cross-Validation Study *Journal of the American Academy of Audiology*.
3. Williams, V.A., McArdle, R.A., & Chisolm, T.H. (accepted). Subjective and objective outcomes from new BiCROS technology in a veteran sample. *Journal of the American Academy of Audiology*.
4. Abrams, H.B., Chisolm, T.H., McManus, M. & McArdle, R.A. (accepted). Initial-fit approach versus verified prescription: comparing self-perceived hearing aid benefit. *Journal of the American Academy of Audiology*.
5. McArdle, R., Killion, M., Meija, M. & Chisolm, T. (2012). Are two ears better than one? *Journal of the American Academy of Audiology*, 23, 171-181.
6. Wilson, R.H., McArdle, R., Betancourt, M., Herring, K., Shipman, T., & Chisolm, T. (2010). Word-recognition performance in interrupted noise (5, 10, and 20 ips) by young listeners with normal hearing and older listeners with hearing loss. *Journal of the American Academy of Audiology*, 21(2), 90-109.
7. Donaldson, G.S., Chisolm, T.H., Blasco, G.P., Shinnick, L.J., Ketter, K.J. & Krause, J.C. (2009). BKB-SIN and ANL predict perceived communication ability in cochlear implant users. *Ear & Hearing*, 30, 401-410.
8. Roberts, R.A., Abrams, H., Sembach, M.K., Lister, J.J., Gans, R.E., & Chisolm, T.H. (2009). Utility measures of health related quality of life in patients treated for benign paroxysmal positional vertigo. *Ear & Hearing*. 30, 369-376.
9. Chisolm, T.H., Noe, C.M., McArdle, R. & Abrams, H. (2007). Evidence for the use of hearing assistive technology: The role of the FM system. *Trends in Amplification*, 11, 73-89.

10. Chisolm, T.H., Johnson, C.E., Danhauer, J.L., Portz, L.J.P, Abrams, H.B., Lesner, S., McCarthy, P.A. & Newman, C.W. (2007). A systematic review of health-related quality of life and hearing aids: Final report of the American Academy of Audiology taskforce on the health-related quality of life benefits in adults. *Journal of the American Academy of Audiology*, 18, 151-183.
11. Roberts, R., Gans, R., Johnson, E. & Hnath-Chisolm, T. (2006). Computerized dynamic visual acuity with volitional head movement in patients with vestibular function. *Annals of Otolaryngology, Rhinology, & Laryngology*, 115, 658-666.
12. Saunders, G., Chisolm, T. & Abrams, H. (2005). Measuring hearing aid outcome - not as easy as it seems. *Journal of Rehabilitation Research & Development*, 42,157-168.
13. Abrams, H., McArdle, R. & Hnath-Chisolm, T. (2005). From outcomes to evidence: Establishing best practices for audiologists. *Seminars in Hearing*, 26:3, 157-169.
14. Reese, J. & Chisolm, T. (2005). Recognition of hearing aid orientation content by first-time users. *American Journal of Audiology*, 14, 94-104.
15. Abrams, H., Chisolm, T. & McArdle, R. (2005). Health-related quality of life and hearing aids: A tutorial. *Trends in Amplification*, 9:3, 99-109.
16. Chisolm, T., Abrams, H., McArdle, R. & Wilson, R. (2005). The WHO-DAS II: Psychometric properties in the measurement of functional health status in adults with acquired hearing loss. *Trends in Amplification*, 9:3, 110-126.
17. McArdle, R., Chisolm, T., Abrams, H., Wilson, R. & Doyle, P. (2005). The WHO-DAS II: Measuring outcomes of hearing aid intervention for adults. *Trends in Amplification*, 9:3, 127-144.
18. McArdle, R., Abrams, H.B. & Chisolm, T.H. (2005). When hearing aids go bad: An FM success story. *Journal of the American Academy of Audiology*, 16, 809-821.
19. Aguila-Vinson, M., Lister, J., Hnath-Chisolm, T. & Blake Rahter, P. (2004). Perception of hearing loss by graduate students of Speech-language Pathology. *Contemporary Issues in Communication Science & Disorders*, 31, 205-214.
20. Hurley, R. & Chisolm, T. (2004). USF Doctor of Audiology Program. *American Journal of Audiology*, 13 104-109.

TEACHING AND RESEARCH INTERESTS

- Audiology Rehabilitation
- Evidence Based Practice

- Hearing Aids
- Speech Perception & Hearing Loss

CONTRACTS OR GRANTS RECEIVED

2012-2016	US Department of Education	\$1,196,750
	Speech/Language Pathology Graduate Specialization In Listening and Spoken Language in Culturally and Linguistically Diverse Children Who are Deaf and Hard-of-Hearing (LSL-CLD) Linda Rosa-Lugo & Theresa Chisolm, Co-P.I.s	
2009-2012	Veteran's Administration RR&D	\$707,500
	Evaluation of Approaches to Auditory Rehabilitation in Patients with mTBI Gabrielle Saunders & Harvey Abrams, Co-P.I.s Role on grant: Co-Investigator	
2008-2011	Veteran's Administration RR&D	\$945,000
	Evaluation of Open-Ear Canal and Traditional Custom-Fit Hearing Aids Gene Bratt & Richard Wilson, Co-P.I.s Role on grant: Co-Investigator	
2008-2011	Veteran's Administration RR&D	\$960,500
	Supplementing Hearing Aids with Computerized Auditory Training Theresa Hnath Chisolm & Richard Wilson, Co-P.I.s	
2008-2009	Phonak Corporation	\$15,000
	Efficacy of the MyLink for ITE Hearing Aid Users Theresa Hnath Chisolm & Rachel McArdle, Co-P.I.s	
2007-2008	Phonak Corporation	\$5,000
	FM Use in Adults in the Private Practice Theresa Hnath Chisolm, P.I.	
2004-2007	Veteran's Administration RR&D	\$1,113,416
	Efficacy of Digital Noise Reduction Strategies: A Clinical Trial Harvey Abrams & Richard Wilson, Co-P.I.s Role on grant: Co-Investigator	

2001-2004	NIH-NIDCD RO3 Linguistic Context Use and Hearing Disability/Handicap Theresa Hnath Chisolm, P.I.	\$250,000
2003-2004	Phonak Corporation FM Technology Use in Adults with Significant Hearing Loss Theresa Hnath Chisolm, P.I.	\$7,500
2001-2004	Veteran's Administration RR&D Functioning, Disability, and Quality of Life in the Adult Hearing Impaired Harvey Abrams & Patrick Doyle, Co-P.I.s Role on grant: Research Scientist	\$783,785
2002-2003	Qualitone Corporation Willingness-to-pay for Hearing Aid Processing Strategies Theresa Hnath Chisolm, P.I.	\$8,000
1998-2001	Veteran's Administration RR&D Measurement of the Efficacy of a Group Aural Rehabilitation Program Harvey Abrams & Theresa Hnath Chisolm, Co-P.I.s	\$240,000
1999-2001	University of South Florida - Center Grant Interdisciplinary Center for Communication Science Ruth Bahr, Judith Bryant, Theresa Hnath-Chisolm, Elaine Silliman	\$80,000
1997-1998	USF Research & Creative Scholarship Grant Repair Strategy Usage: Effects of Age and Hearing Status Theresa Hnath-Chisolm & Elaine Silliman, Co-P.I.s	\$7,500
1992-1997	NIDCD - Clinical Investigator's Development Award Speech Perception Training in Deaf Children Theresa Hnath-Chisolm, P.I. Winifred Strange: Project Sponsor	\$344,831
1991-1992	USF Research & Creative Scholarship Grant Speech Perception in Preschool Children: Effects of Developmental Age and Linguistic Context Theresa Hnath-Chisolm, P.I.	\$7,411

- 1989-1990 **ASHA Foundation: Special Needs Technology Grant** \$5,000
 Improving Vowel Production in Hearing-Impaired and Apraxic
 Children with IBM Speechviewer
 Theresa Hnath-Chisolm & Arthur Guilford, Co- P.I.s
- 1989-1990 **USF Research & Creative Scholarship Grant** \$6,500
 Effect of Adjustment to Hearing Aid Usage on Speech Perception
 in the Elderly
 Theresa Hnath-Chisolm, P.I.
- 1988-1989 **ASHA Foundation: New Investigator's Development Award** \$1,000
 Effect of Talker and List Differences on Audio/Visual Speech Recognition
 Theresa Hnath-Chisolm, P.I.

SERVICE (last 10 years)

- 2011- President-elect, International Collegium of Rehabilitative Audiology
 2013
- 2011- Advisory Board Member, Hearing Loss Association of Sarasota
 present
- 2011 Topic Coordinator, Annual Convention of the American Speech-Language-
 Hearing Association
- 2011 Search Committee Member – Founding Dean of University College, USF
- 2010 Committee Member, Annual Convention of the American Speech-Language-Hearing
 Association
- 2009- Member-at-Large, Steering Committee, International Collegium of Rehabilitative
 2011 Audiology
- 2009- American Academy of Audiology Education Committee:
 2011 Sub-committee on Research in Education (Chair)
- 2009 USF Provost Search Committee (Member)
- 2008- Advisory Board Member, Infants & Young Children of West Central Florida, Inc.
 2011
- 2008- Member, Institutional Compliance & Ethics Committee, USF
 present

- 2007-2010 Provost Chairs' Steering Committee, USF
- 2007-2008 Chairs' Steering Committee, College of Arts & Sciences, USF
- 2007-2008 College of Arts & Sciences – Tenure & Promotion Committee
- 2007-2008 American Academy of Audiology - Reviewer Podiums & Posters for 2008 Convention
- 2006-2007 American Academy of Audiology – Taskforce on Hearing Screening in Older Adults (Member)
- 2006 USF, College of Arts & Sciences, Planning Committee for Chair's Summit
- 2006-2007 USF, College of Arts & Sciences, Area Representative, United Way Campaign
- 2004-2006 American Academy of Audiology - Taskforce on the Audiological Management of Hearing Loss in Adults (Member)
- 2004-2006 American Academy of Audiology - Taskforce on the Quality-of-Life Benefits of Hearing Aids (Co-Chair)
- 1997-present NIH-NIDCD RO3 & RO1 (Ad hoc Grant Reviewer)

EDITORIAL SERVICE

- 2010-present *Journal of Rehabilitation Research & Development* (ad-hoc-reviewer)
- 2007-present *Journal of the American Academy of Audiology* (Editorial Board)
- 2006-present *Trends in Amplification* (Associate Editor)
- 2005-present *Journal of the Academy of Rehabilitative Audiology* (Editorial Board)
- 2004-present *International Journal of Audiology* (ad-hoc reviewer)
- 1994-present *Ear & Hearing* (ad-hoc reviewer)
- 1988-present *Journal of Speech, Language, Hearing Research* (ad hoc reviewer)

AWARDS

- 2011 American Academy of Audiology Distinguished Service Award
- 2005 Ear & Hearing Article of the Year Finalist 2004: Short & Long-term Outcomes of Adult Audiological Rehabilitation: Presented at the 2005 Annual meeting of the American Auditory Society

LICENSES/CERTIFICATIONS

- Florida Department of Professional Regulation – Audiology
- ASHA Certificate of Clinical Competence – Audiology

PROFESSIONAL SOCIETIES/ASSOCIATIONS

- Academy of Rehabilitative Audiology
- American Academy of Audiology
- American Speech-Language-Hearing Association
- American Auditory Society
- International Congress of Rehabilitative Audiology (ICRA)
- International Audiology

TEACHING WORKSHOPS

- USF Center for Teaching Enhancement Workshops, Involving Students: Using Active Learning Strategies, July 22-August 4, 1993
- Teaching Skillfully in USF's New Liberal Arts Program, May 12-May 25, 1994
- Transforming Passive Listeners into Creative Thinkers in USF's Liberal Arts Program, June 26-June 29, 1995
- USF CTE 21st Century, Using Technology in Education, July, 2005.

MASTER'S THESES SUPERVISED

- Madsen, K. (2002). Relationship between speech perception ability and phonological awareness in children with hearing loss. (Chair)
- Friedman, S. (2002). The effect of language-age on Theory of Mind task performance. (Member)
- Butcher, L. (2000). Incidence and time-course of identification of children with hearing loss in a region of Florida. (Chair)
