

Biographical Sketch

Robert A. Lutfi

Education:

Univ. of S. Florida, Tampa, FL	B.A., M.A.	1975, 77	Exper. Psychology
Loyola Univ. of Chicago, Chicago, IL	Ph.D.	1980	Exper. Psychology
MRC Applied Psych Unit, Cambridge, ENG	Post Doc	1980	Psychoacoustics
Northwestern Univ., Evanston, IL	Post Doc	1981-83	Psychoacoustics

Experience:

1975-1977	Teaching and Research Assistant, Department of Psychology, University of South Florida.
1977-1979	Lecturer and Research Assistant, Psychology Department, Loyola University of Chicago.
1979-1980	Visiting Assistant Professor of Psychology, Psychology Department, Indiana University, Bloomington, IN.
1983-1984	Research Scientist, Central Institute for the Deaf, Washington University, Saint Louis, MO.
1987,88,89	Adjunct Professor of Psychology, Department of Psychology, University of Florida, Gainesville, FL.
1986	Lecturer, Department of Communication Sciences and Disorders, University of Wisconsin, Madison, WI.
1984-1989	Associate Scientist, Waisman Center, University of Wisconsin, Madison, WI.
1989-1992	Assistant Professor of Audiology, Department of Communication Sciences and Disorders, University of Wisconsin, Madison, WI.
1992-1996	Associate Professor of Audiology, Department of Communication Sciences and Disorders, University of Wisconsin, Madison, WI.
1996-2017	Professor of Audiology, Department of Communication Sciences and Disorders, University of Wisconsin, Madison, WI.
1993-1996	Associate Professor of Psychology, Department of Psychology, University of Wisconsin, Madison, WI.
1996-2017	Professor of Psychology, Department of Psychology, University of Wisconsin, Madison, WI.
2006	Chair, Department of Communication Sciences and Disorders, University of Wisconsin – Madison.
2017-present	Professor of Audiology, Department of Communication Sciences and Disorders, University of South Florida, Tampa, Florida.

Teaching Experience:

1978-1979	Descriptive and Inferential Statistics; Psychology Department, Loyola University of Chicago.
1979-1980	Introduction to Experimental Psychology; Psychology Department, Indiana University.
1986, 96-2017	Hearing Science; Department of Communication Sciences and Disorders; University of Wisconsin.
1989-1991, 96	Psychological Acoustics; Department of Communication Sciences and Disorders; University of Wisconsin.
1989	Psychoacoustic Studies of Hearing Impairment; Department of Communication Sciences and Disorders, University of Wisconsin.
1990,92-94	Human Information Processing; Department of Communication Sciences and Disorders, University of Wisconsin.
1992-2017	Normal Aspects of Hearing; Department of Communication Sciences and Disorders, University of Wisconsin.
2000, 2017	Acoustics, Electroacoustics, and Calibration, Department of Communication Sciences and Disorders, University of Wisconsin, Madison.
2002-2017	Introduction to Communicative Disorders, Department of Communication Sciences and Disorders, University of Wisconsin, Madison.
2002-2017	Physiological and Psychological Acoustics, Department of Communication Sciences and Disorders, University of Wisconsin, Madison.

- 2017-present Research Methods in CSD, Department of Communication Sciences and Disorders, University of South Florida.
- 2017-present Hearing Science, Department of Communication Sciences and Disorders, University of South Florida.

Other Professional Activities and Honors:

Editorial Consultant for the Journal of the Acoustical Society of America, Journal of Experimental Psychology, Perception and Psychophysics, IEEE Transactions on Audio, Speech and Language Processing.

Ad hoc reviewer for the National Science Foundation.

Ad hoc reviewer for the National Institutes of Deafness and Communicative Disorders

Ad hoc reviewer for National Energy Systems, Air Force Office of Scientific Research.

Ad hoc reviewer for United States Civilian Research and Development Foundation

Ad hoc reviewer for Israel Science Foundation

Consultant on various NSF and NIH Grants.

Former Member of Committee on Psychological and Physiological Acoustics, Acoustical Society of America.

Fellow of the Acoustical Society of America

Member of the American Statistical Association

Member Executive Committee, Psychological Acoustics, Acoustical Society of America.

Member Technical Committee, Psychological Acoustics, Acoustical Society of America, 2002-2005

University of Wisconsin, Faculty Senate, 1990-1995

Associate Editor, Physiological and Psychological Acoustics, Journal of the Acoustical Society of America, 2004-2007

Chair, Dept. of Communicative Disorders, Univ. of Wisconsin – Madison, 2006-2007

Member of Social and Behavioral Science Internal Review Board, Univ. of Wisconsin – Madison, 2006-2007

Associate Editor, Journal of Speech, Language and Hearing Research, 2011

Member Technical Committee, Psychological Acoustics, Acoustical Society of America, 2011-2014

Member Laboratory Assessments Board, National Academy of Sciences, Human Factors Science at the Army Research Lab, 2012-2014

Member Intelligence Science and Technology Experts Group, Natl. Acad. Sci. Eng. and Med., 2015-Present

Member of Screening Panel for the Flame Challenge International Science Competition, hosted by the Alan Alda Center for Communicating Science at Stony Brook University

Member Executive Committee, Auditory Cognitive Neuroscience Society

Grants, Fellowships and Awards:

NIH Individual Postdoctoral Fellowship, "Binaural Measures of Cubic Distortion", 1980-1982.

NIH Institutional Postdoctoral Fellowship, "Training in the Neurobiology of Hearing", Northwestern Univ., Evanston, IL, 1982-1983.

NSF Research Grant (BNS83-08498), "Additivity of Auditory Masking", 1983-1986, \$127,997.

NSF Supplement to BNS83-08498, 1985-1986, \$4,290.

Deafness Research Foundation, "Additivity of Auditory Masking in the Hearing Impaired", 1986-1987, \$12,500.

Deafness Research Foundation, Competitive renewal of above, 1988-1989, \$15,000.

Deafness Research Foundation, Competitive renewal of above, 1989-1990, \$15,000.

NSF Equipment Grant, "Neurosciences Research Computing Network", Frederic L. Wightman and Paul Milenkovic Co-PIs, 1987, \$59,370.

Air Force Office of Scientific Research (86-NL-178), "Auditory Pattern Analysis", 1987-1990, \$392,664.

Office of Naval Research (1142-88-A0138), "Central Factors in the Classification of Transient Acoustic Signals", 1989-1992, \$228,152.

UW Graduate School Grant-in-Aid Award, 1989-1990, \$8,000.

UW Letters and Science Remodelling Award, 1989, \$27,400.

NICHHD (1 R01 HD NS23333-01), "Hearing Assessment in Preschool and School-Aged Children", Frederic L. Wightman, Co-PI, 1989-1992, \$455,354.

NICHHD (1 R01 HD NS23333-05), Competitive renewal of above, 1992-1997, \$624,295.

NIDCD (1 R01 DC01262-01), "The Information in Auditory Patterns", 1991-1994, \$618,853.

UW Graduate School Grant-in-Aid Award, 1992, \$17,000.
 Depart. of Education, "Clinical Research Training in Audiology", Terry Wiley PI, 1994-1999.
 NIDCD (1 R01 DC01262-05), "The Information in Auditory Patterns", 1995-2000, \$752,528.
 UW Division of Information Technology (DoIT), INTIME Undergraduate Instructional Technology Award, 1998, \$5000.
 NICHD (1 R01 HD NS23333-09), "Hearing Assessment in Preschool and School-Aged Children", Frederic L. Wightman, Co-PI, 2000-2005, \$649,602, 1999-2004.
 NIDCD, Neural Basis of Hearing, Program Project Grant, Medical School, University of Wisconsin, Madison, John Brugge PI, 3/1/99-2/28/24, \$6,879,362.
 NIDCD (1 R01 DC01262-10), "The Information in Auditory Patterns", 2000-2005, \$900,000.
 NOHR. "The Effects of Hearing Loss on the Discrimination of Static and Dynamic Spectral Relationships", Joshua M. Alexander, Co-PI, 2004, \$15,000.
 Podcasting Plus Engage Award, 2006, Division of Information Technology, Univ. of Wisconsin - Madison
 Hilldale Undergraduate Fellowship, "Auditory Preferences of Autistic Children," Awarded to Lynn Johnson, Sponsored by R. Lutfi, \$5000.
 NIDCD (1 R01 DC006875-01), "A New Approach to Sound Source Identification", 2005-2010, \$1,258,202.
 NIDCD (2 R01 DC001262-15), "The Information in Auditory Patterns", 2007-2012, \$1,265,828.
 NIDCD (2 R01 DC001262-20), "Sound Source Segregation," 2/15/2013 - 1/31/2018, \$1,840,850.00.
 UW Bridge Funding, "Auditory sensitivity for acoustic information related to sound source attributes" 7/1/2013 - 6/30/2015, \$38,440
 Univ. of South Florida Program Enhancement Grant, "Individual differences listening in noise in clinically-normal hearing adults," 5/1/2018 - 4/30/2019, \$15,303.00.
 NIDCD (2 R01 DC001262-27), "Individual differences listening in noise in clinically-normal hearing adults," 7/1/2019 - 6/30/2024, Total Cost: \$3,002,899.00.
