

SECONDARY MATH TEACHERS WORKSHOP SERIES

A Professional Learning Network for New and Alternatively-Certified Secondary Math Teachers

New Horizons in the Secondary Math Classroom

Free to attend!

with **DEBORAH COSTELLO**

$$\begin{aligned} &= \frac{1}{2} \int_{-1}^1 f(x) dx + \frac{1}{2} \int_{-1}^1 f(x) dx \\ &= \frac{1}{2} \int_{-1}^0 f(x) dx + \frac{1}{2} \int_0^1 f(x) dx \\ &= \frac{1}{2} [F(x)]_{-1}^0 + \frac{1}{2} [F(x)]_0^1 \\ &= \frac{1}{2} + \frac{1}{2} = 1 \end{aligned}$$

$$\begin{aligned} a_n &\rightarrow a(x) \\ b_n &\rightarrow b(x) \end{aligned}$$

SESSION 1: Saturday, January 27

Building the Foundation

- Explore the art of teaching and what defines a great teacher
- Learn effective strategies for building strong student-teacher relationships
- Dive into educational neuroscience

SESSION 2: Saturday, February 10

Curriculum Craftsmanship

- Master the art of curriculum design for secondary math
- Discover pedagogical techniques to make math come alive in your classroom
- Share and exchange curriculum resources

SESSION 3: Saturday, February 24

Innovate and Engage

- Energize your classroom with interactive student engagement strategies
- Foster critical thinking skills with active learning techniques
- Harness technology tools to transform your math lessons

All sessions are from 9:00 a.m. – 12:00 p.m. Breakfast is provided and served at 8:30 a.m.

TECO Hall, College of Education, University of South Florida Tampa campus

Don't miss this opportunity to network with other new or alternatively certified secondary math teachers who are looking to enhance student learning outcomes, elevate their teaching practices, and gain valuable insights and resources.

Free to attend; space is limited. To register, please visit: www.tinyurl.com/mathnewhorizons

MEET THE FACILITATOR

Deborah Costello

Deborah Costello has been teaching mathematics, grades 6-12, prealgebra to AP Calculus, for 36 years in Illinois, Florida, and Massachusetts. Most recently she was the Assistant Dean of Faculty and a math teacher at Deerfield Academy. She has also served as a consultant, writer, and grader for the College Board. Deb has presented summer institutes on AP Calculus for UCF, USF, UWF, Augsburg, Florida Atlantic, and many other high schools and colleges across the U.S. In addition, she spoke on calculators, calculus, and technology at FETC, FCIS, and the AP National Convention. Deb lives in Orlando and is married with two grown sons. She enjoys photography, travel, and her rambunctious puppies, Callisto and Tycho.
