EVALUATING INSTITUTIONAL CHANGE INITIATIVES IN HIGHER EDUCATION

Saturday, August 28, 2021 // 08:00 a.m.

Presented by:
Stephanie Feola
sfeola@usf.edu

Higher Education Institutions have taken up the call for improving teaching and learning through implementing educational programs and institutional change initiatives. However, the implementation of these initiatives is varied and context dependent. Understanding theories of change can help Evaluators provide useful and valuable insights for stakeholders of these initiatives.
