

USF IEEE Wireless and Microwave Technology (WAMI) Student Forum

A Student-Led Industry Government Academic Forum

October, 24 2023 | USF Marshall Student Center / College of Engineering, Tampa

The USF WAMI Student Forum has a focus on “The Exciting Future of Wireless and Microwave Technology - Innovation, Education and a World of Opportunity”. We are currently planning an on-campus event with some hybrid/virtual components.

This student-led/student-focused mini-conference will address up-to-date multidisciplinary research needs, career opportunities and new and evolving aspects of wireless and RF technology. The program includes a panel session, invited papers, a student poster session, and company information tables.

<https://cglink.me/2k5/r1942966>

The steering committee would like to invite your company to send representatives to participate and interact with USF WAMI Center faculty and students and also to become an exhibitor, sponsor and potentially an invited speaker or panelist at this exciting event.

Sponsorship and Exhibit Opportunities (Deadline is 10/17)

WAMI Center EAB Membership Gold	\$10,000
WAMI Center EAB Membership Silver	\$5,000
Gold Forum Sponsor*	\$1,000 each
Forum Sponsor*	\$600
Student Competition Sponsor**	\$600

* Includes exhibit table + up to 3 attendees.

** Priority to Gold/Silver and event sponsors in that order.

Registration

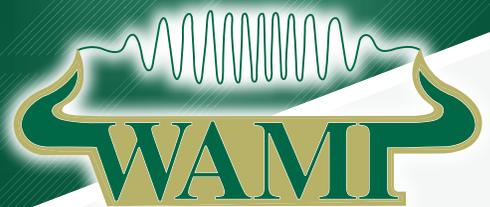

IEEE Member/Non-Member \$75 /\$125 Poster/YP Reception only \$25

USF Student / Non-USF Students free / 25\$

We will host a lunch panel via MS Teams to discuss career opportunities in engineering.

Agenda

10:30am - 11:30am	Registration/Welcome
11:30am - 1:00pm	Lunch and Panel Session
1:00pm -3:30pm	Break/Sponsor Intro and Exhibits
3:30pm - 4:30pm	Poster Reception Session
5:00pm - 7:00pm	Young Professionals Reception
