Minor Application USF College of Engineering

Last Name:		First Name:	
U ID #:	Current Major(s):		

Students must register with the department Undergraduate Advisor prior to starting this minor program. Consultation with the undergraduate advisor will ensure that students are informed of all offered courses

Please select a Minor:

	Minor Hrs.	Prerequisites	Total Hrs.
Biomedical Engineering	15	23 hrs: Bio 1, Calc 2, Physics 2, Chem 2	38
*Computer Science	18	28 hrs: ENC 1101/2, Calc 1& 2, Physics 1 & 2 w/lab, COP 2510, COT 3100	46
*Information Technology	21	3 hrs: MAD 2104	24

* All students desiring to pursue this minor must meet the same entry and continuation requirements as program major. See Catalog for details.

Degree Progression: Students should be approved to pursue minors only if the minor can be completed without extending the time required for the students' initially projected graduation date and without exceeding their Excess Hours threshold. Students in lockstep programs without available elective hours will not be approved for minors, unless an exception is approved by the **College Dean or designee**.
