

CANVAS NEW QUIZZES

Restrict Student Result View

Restrict student result view is an important setting option in New Quizzes. This setting restricts or allows what students see once they've completed their quiz or exam. These options can be modified after students have taken the test.

Option 1 - No Options Selected

Restrict student result view

i Uncheck all to hide result view and show submission confirmation only.

Show points awarded (overall and per question)

Show points possible (overall and per question)
