

## Fall Enrollment 2017-18

Institution: University of South Florida-Sarasota-Manatee (451671)

User ID: P451671B

### Overview

#### Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Every other year data on residence of first-time undergraduates is required and in opposite years, enrollment by student age is required to be reported.

Institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.

#### Data Reporting Reminders:

- Part B, Enrollment of students by age, is **required** this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduates, is **optional** this year.

**Part E - First-time Bachelor's Cohort Retention Rates (Full-time)**

Retention Rates

Full-time, First-time Bachelor's Cohort from Fall 2016

Academic reporters determine the cohort and retention as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2016 and retention based on August 1, 2017.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from and inclusions are added to the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

**Retention Data Reporting Reminders:**

- Include only **full-time, first-time bachelor's** students in this cohort.
- Determine the full-time cohort using Fall 2016 status (e.g. if a student was full-time in Fall 2016, report them in the full-time cohort regardless of their Fall 2017 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.
- Report in the exclusions box (line E2a) the number of students from the cohort who left the institution for any of the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including those called to active duty); to serve with a foreign aid service of the Federal Government (e.g. Peace Corps); or to serve on official church missions.
- Report in the inclusion box (line E2b) first-time bachelor's-seeking study abroad students who were excluded from the first-time cohort (line E1) but who have re-enrolled at the institution their second year.

- Determine part-time using Fall 2016 attendance status (e.g. if a student was part-time in Fall 2016, report them in the part-time cohort regardless of their Fall 2017 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.

**Summary**

### Fall Enrollment Survey Summary Four-Year Institutions with Graduate Students

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2017.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
