Dr. Kiran C. Patel Center for Global Solutions
University of South Florida, Tampa campus

**UNIVERSITY of
SOUTH FLORIDA**
Patel College of
Global Sustainability

3rd Global Sustainability Conference 2022

Climate change, the pandemic, and socio-economic challenges converge to disrupt livelihoods, regions, and species across the globe. This conference will focus on developing innovative solutions for resiliency to reduce the impacts of such disruptions.

The 3rd Global Sustainability Conference, hosted by the Patel College of Global Sustainability, is the premier event for thought leaders and practitioners from industry, academia, government, and non-government organizations to join the community of visionaries working at the forefront of innovation to move beyond individual action and catalyze and accelerate change towards sustainability.
