

## **Chancellor's Award for Excellence in Civic & Community Engagement**

The Chancellor's Award for Excellence in Civic and Community Engagement recognizes a USF faculty member who best represents the university's commitment to civic and community engagement through their teaching, research and/or service.

***Bryanna Fox***  
Criminology

## **Distinguished Service Award**

The Distinguished Service award recognizes professorial ranked faculty who display outstanding evidence of support service to the university, the community and the profession or discipline.

***Vicky Phares***  
Psychology

## **Distinguished University Professor**

The Distinguished University Professor Award is bestowed upon members of the faculty who have had—and continue to have—outstanding records of achievement in their discipline. The title is given only after a very thorough evaluation of the faculty member's record in professional service, teaching, and research, scholarship and creative activity. This is the most prestigious award given to faculty by the University of South Florida.

***V. Mark Durand***  
Psychology

***Kathleen Heide***  
Criminology

***Hariharan  
Srikanth***  
Physics

## Excellence in Innovation Award 2018-19

USF's Research & Innovation Excellence in Innovation Award recognizes some of the university's top innovators for their research achievements across industry and academia. It also recognizes faculty for their efforts in taking inventions to market through the creation of new startups, commercialization to their new technologies, and advancing the research and development process through publishing their work in prestigious journals and securing competitive grants to support their projects.

**Daniel Yeh**  
Civil and  
Environmental  
Engineering

# Faculty Outstanding Research Achievement Award

The Faculty Outstanding Research Achievement Award is given to honor faculty for their outstanding publications, awards and grants recognizing their scholarship and research. The award is part of an open competition judged by the USF System Research Council to underscore the professional recognition that USF faculty received from national and international peers during the calendar year.

**Tammy Allen**
