# FOREVER A BULL

Create a forever campus presence for yourself, your student or a loved one by purchasing a paver brick engraved with your own custom message. Starting at $100, your message can be a permanent part of the plaza. In addition, you can also purchase a memento paver to give.

Use these personalized messages to:
~ Remember a loved one
~ Express gratitude to a faculty or staff member
~ Express gratitude to a classmate
~ Convey appreciation to parents
~ Recognize a graduation
~ Set your name in stone for years to come

The paver pathway lines the north and south sidewalks around the MSC Plaza, which features a fountain with three life-size bull statues, covered amphitheater, grassy lawns and planting beds. Your engraved message will be in one of the most visited spots on campus!

Funds raised from donated pavers will be used for student scholarships, leadership programs and the maintenance of a recognition wall to honor the students at the University of South Florida who best exemplify strong leadership qualities.
