

ROCKY'S RESOURCES: HOW TO...

CHANGE YOUR MAJOR

The process of choosing a major, and discovering something that you are passionate about, can be exciting! Major Reselection will assist you in choosing the right major according to your career goals and current academic status.

MAJOR

A major is a specific subject area that students specialize in. Typically, between one-third and one-half of the courses you take in college will be in your major or related to it.

MINOR

Represents an area of study that supplements your major or intended career path, or a side interest that you enjoy. These are usually less than 20 credits, depending on the subject area.

DOUBLE MAJORS & CONCURRENT DEGREES

Double Majors: Pursuing two majors while earning one degree. Concurrent Degrees: Pursuing two majors, while earning two separate degrees.

CERTIFICATES

Designed to enhance the student's academic and professional growth, providing technical knowledge of a specific field. It is separate from the B.A. or B.S. degree. Usually may be completed in less than one year.

CHANGE OF MAJOR/MAJOR DECLARATION

The process for declaring your major depends on the college where it is housed. Some majors allow you to declare online, while others require for you to meet with an **advisor**.

CHANGING YOUR MAJOR

Schedule an **advising appointment** with the academic college of your new major. A full list of forms and websites for changing your major with the associated college can be found at bit.ly/usfmajordeclaration.
