If **NO** was circled for any of the above requirements, please explain why below:

(Travel insurance requiring reimbursement for medical services do not meet the regulation)

All degree-seeking and non-degree seeking students who are not Citizens or Permanent Residents of the United

States are required to have active health insurance coverage for accidents/illnesses prior to registration for classes. In addition, F or J visa holders are required to have coverage with benefits equal to those required by [USF Regulation 6.0162](#)

Information on Waiving Out of the USF Sponsored Health Insurance Plan (SHIP):

Academic Health Plans (AHP) administers the USF international student health insurance waiver process. To waive out of the USF Health Insurance policy, you will need to submit the Fall Agreement form by **8/26/24** indicating your intent to waive out of SHIP in order to trigger your ability to activate your account with Academic Health Plans (AHP).

- New Students will receive an email to activate your account on the mycare26 portal.
- Returning Students will need to log onto the mycare26 portal.

Students under an F/J visa will need to submit all supporting documentation and Page 1 of the completed USF Compliance form. Students under a non F/J visa will need to submit a copy of the front and back of their health insurance card. **Documents should be sent directly to AHP for review, prior to the deadline of August 26th.**

Please note: the annual premium will not be removed from your OASIS account unless your policy meets the minimum requirements of the mandate and is officially approved by both AHP and USF. ****NOTE:** alternative policies purchased/submitted on or after 12:01am on Tuesday 8/27/24 will not be considered/reviewed for the 24/25 academic year.

All the requirements for students issued an F/J visa are listed on Page 1. You are encouraged to review the detailed policy brochure, as well as the exclusions and limitations of the policy you currently have or plan to purchase to ensure that it meets all of the State University System of Florida requirements as listed on the USF Compliance form.

- New Students need coverage starting on or before 8/26/24.
- Returning students needs to have continuous coverage, with no gaps of coverage.
- All policies must provide coverage for the entire academic year (all 3 semesters, Fall, Spring and Summer).

Changes have been made to [USF Regulation 6.0162](#). This change affects new students and re-admitted students starting in Fall 2024, who plan to waive out of USF SHIP with an alternative policy.

Section 3.b. was **changed** as follows:

- b. **Basic Benefits:** (1) Room, board, hospital services, physician fees, surgeon fees, ambulance, outpatient services and outpatient fees paid at 80% or more of usual, customary, and reasonable (UCR) charges after deductible is met, for in-network, and 60% or more of usual, customary, and reasonable charge for out-of-network providers per accident or illness **and (2) commencing with students admitted for the Fall 2024 semester, for preventative/wellness services as defined by HealthCare.gov, vaccines/screening mandated by USF Policies #33-002 Immunization and #33-003 TB screening.**
