2020 – 2021 UNDERGRADUATE STUDIES CONSOLIDATION PARTNERSHIPS

#ONEUSF

- Restructured ARC Committee in partnership with Office of the Registrar and Academic Colleges to streamline ARC petition process for all students.
- Academic Advocacy Work-a-Bull team participated in professional development and skill building to strengthen student support.
- Office of Transfer Student Success Work-a-Bull group pulled together transfer success efforts through a Transfer Success Council with members from all three campuses.
- Fully implemented catalog management and curriculum workflow software for the 2021-2022 catalog production cycle.
- UGS partnered with the General Education and Undergraduate Councils to implement a new curriculum proposal system, Curriculog, to process curricular and course proposal changes.
- One USF Veterans Success team secured U.S. Department of Education grant to expand services for the over 7,400 student veterans, active-duty military and their dependents at USF.
- Launched Excellence in Academic Advising initiative between the John Gardner Institute and the Global Community for Academic Advising (NACADA).
- The Tutoring Work-a-Bull streamlined the appointment scheduling with tutors by implementing the Accudemia software.
