WHEN SHOULD I CALL INTERNATIONAL SOS?

IN DAILY LIFE

open access to health and security information & advice at home or while away from home:

- Speak to our health and security experts for information and advice on health & security matters
- Call before you change location for free advice on how to stay safe and healthy while away from home
- Find a local nurse, internationally-trained doctor, mental health professional, or security specialist wherever you are
- Arrange a TeleConsultation, as appropriate
- Find medication or medical equipment
- Advice on loss of travel documents or legal assistance
- Assistance paying your medical fees.

IN AN EMERGENCY

access to immediate health and security assistance wherever you are:

- Arranging medical transportation, hospitalisation and care
- Monitoring your condition and provide advice along the way
- Evacuating you when necessary
- Contacting your family and colleagues as appropriate, so they know you are in good hands.

A GLOBAL INFRASTRUCTURE YOU CAN DEPEND ON:

ASSISTANCE CENTRES

With our local experts available globally, you can speak to us in any language, anytime 24/7.

HEALTH PROFESSIONALS

Immediate access to experts with extensive experience in all fields of medicine coupled with a thorough knowledge of the local environment and healthcare system.

SECURITY SPECIALISTS

24/7 access to security reporting, analysis and expert advice from our security consultants, analysts and tracking experts around the world.

CLINICS

An integrated network of clinics around the world, practising international standards of medicine – mostly in emerging countries.

ACCREDITED PROVIDERS

A network of accredited healthcare, aviation and security providers ensuring we provide you with the best logistics in the air, on the ground and at sea.
