

EDUCATION

Teach lessons that last a lifetime. Education is the Peace Corp’s largest program area. Volunteers play an important role in creating links among schools, parents, and communities by working in elementary, secondary, and postsecondary schools as math, science, conversational English, and resource teachers or as early grade reading and literacy teacher trainers. Volunteers also develop libraries and technology resource centers. For more information visit Peace Corps: <https://www.peacecorps.gov/volunteer/what-volunteers-do/#education>

If you choose Education, take 3 courses from one of the following areas:
