USF World

Statement of Community

USF World is dedicated to implementing comprehensive internationalization across the University that is both accessible and inclusive for the benefit of enhancing cross-cultural understanding and collaboration. We value all students, employees, stakeholders, and partners who contribute to fostering global engagement.

Comprehensive Internationalization

An Inclusive Work Environment

USF World is committed to a work environment that prioritizes trust and inclusion and promotes respect for all peoples, open communication, dedication to collaboration, innovation and ingenuity, and behaviors guided by honesty and goodwill.

To our employees and each other, we pledge the following:

- To value one another and treat each other with dignity,
- To communicate openly and honestly,
- To seek collaboration over competition,
- To treat ideas and opinions different from our own in a respectful manner,
- To demonstrate kindness and gratitude,
- To contribute to successful team-building and team outcomes,
- To expand the skill sets and career potential of all employees.
